

This year we are holding our Annual Turkey Dash 5k run/walk to benefit The Karen P. Nakon Breast Cancer Foundation on Thanksgiving morning, November 28, 2019. In its 16th year, this race has fast become one of the region's premier races with over 1500 participants last year that included a large number of breast cancer survivors and their families.

The Turkey Dash has raised over \$330,000 in the last 15 years in support of the Foundation's mission to provide financial assistance to families in Northeast Ohio who are impacted by the staggering costs of breast cancer treatment. To date, the Foundation has helped over 900 families with over \$1.1 Million in grants. All proceeds from this event go directly to aid for women facing the challenges of breast cancer and its treatments.

We hope that you will see that our mission and core values align with yours and the Turkey Dash is a healthy way for us to engage a diverse and inclusive audience to raise both awareness for breast cancer and funds for our mission. ***Please consider supporting the 2019 Turkey Dash.*** By becoming a sponsor, your donation directly impacts the bottom line of this fundraiser and in turn sending financial aid to those women in Northeast Ohio who are battling breast cancer. All donors are recognized in all of our marketing efforts to promote the race and on our t-shirts and/or gift bags

If you have any questions, please do not hesitate to contact the Foundation's event coordinator, Stacey Rusher, at 440-933-7621 or by email at info@nakonfoundation.org
